

ABOUT BLACK LIVES MATTER

IMAGINING ABOLITION

OUR VISION

Black Lives Matter imagines a world where Black people across the diaspora thrive, experience joy, and are not defined by their struggles. In pursuing liberation, we envision a future fully divested from police, prisons, and all punishment paradigms and which invests in justice, joy, and culture.

OUR MISSION

Black Lives Matter is working inside and outside of the system to heal the past, reimagine the present, and invest in the future of Black lives through policy change, investment in our communities, and a commitment to arts and culture.

Black Lives Matter Foundation is an abolition-centered foundation fighting institutional injustice and serving Black people globally. We fund organizations and individuals leading policy and abolitionist efforts and partner with organizations and individuals who offer direct services to support the needs of Black communities.
